Notes:										
1 List of schools and all counts are from Dept. of Ed spreadsheet. Calculations in green added by Sheila Carlson, Office of Library and Information 1 Services (OLIS) Library Programs, (401)222-5754, August '01, using formulas specified in SLD Form 471.										
2 Calculations are based on school district figures. Schools listed that are in the geographic boundaries but not part of school district . are hatched out and not included in calculations										
3 Barrington High School and Portsmouth High School were non participating and figures not included by Dept of Education (Adrienne DiMeo, 401 222-4600, 2454)										
I called SLD on August 21, 8:30 AM to ask what to do with nonparticipating schools for which eligibility information is not . available. They said to leave out the school altogether in the calculations										
New Kindergarten Policy for Breakfast Mandate:										
As of this school year, all kindergarten children who attend school in the morning participate in the School Breakfast Program. For those schools that served kindergarten or lunch or both breakfast and lunch by or in October, the enrollments have been included. If the meal programs for kindergarten began in November, this information is not included. All schools with kindergarten added have a "K" next to the enrollment figure.										
Explanation of how kindergarten enrollment has been presented:										
Based on inquiries made to school districts, Kindergarten enrollment has been added to full-day, 1/2-day (for most schools--AM is included at 50% of 1/2-day Kindergarten and pre-kindergarten (most are not included) students.

Explanation for percentages >100%:										
A	Enrollment is a constant number, based on one day (10/1/00) in October, while the									
	reduced-price meal applications are for applications on file are for the full month o									
	a timing situation where schools could result in >100% of eligible students.
